#### PRE-APPLICATION PROCEDURES

### REZONING/GENERAL PLAN TEXT AND LAND USE OR CIRCULATION MAP AMENDMENT

The Town has implemented a Pre-Application review for all applications to amend the text of the Zoning Code, a zoning ordinance, the Official Zoning Map, General and Specific Plan text, or land use or circulation map amendments. The Pre-Application process was created to involve citizens and to streamline the overall process. Please note that this is a required review prior to the submittal of a Rezoning or General Plan application. Please see fee schedule for current fee. A representative of the applicant must be present at the Pre-Application meeting.

The Pre-Application process takes approximately three weeks. Rezoning and General Plan Pre-Application review process steps are as follows:

- Neighborhood Meeting Requirements Rezonings and General Plan Map Amendments
  require at least one neighborhood meeting as part of the Pre-Application process. Reference
  the Town of Gilbert's Land Development Code Chapter I, Section 5.204: Neighborhood
  Meeting for more information regarding neighborhood meeting requirements.

- 2. *Neighborhood Meeting Scheduling* –The applicant is required to schedule a neighborhood meeting to receive comments on the proposal. Neighborhood meetings are to be conducted a minimum of four calendar days prior to the Pre-Application meeting with the Town. The process is as follows:
  - a. Applicant faxes Neighborhood Meeting Request Form, draft notice, list and map of property owners to the Planning Technician *prior* to Pre-Application submittal (480-497-4923 fax). An electronic submittal is preferred to conserve paper; please call (480) 503-6743 or (480) 503-6821 for the appropriate email. Please note that neighborhood meetings should be scheduled for 6:00 p.m. in the evening, Monday through Thursday. Please avoid public hearing nights if possible. The meeting should be held in a public place within a reasonable distance of the project. Meeting dates are available on our website at www.gilbertaz.gov.
  - b. The Planning Technician reviews proposed date, time and place of the neighborhood meeting, the draft notice and confirms information with the applicant. Confirmation of date, time and place of neighborhood meeting and notice with the Planning Technician is required in order to process the Pre-Application in a timely manner.
- 3. Application Filing For an application to be accepted, the applicant must provide all of the required information described on the submittal checklist at the time of application submittal. Applications are accepted daily until 6:00 p.m. Monday through Thursday. Applications received by 6:00 p.m. Thursday will be scheduled for the next available Monday meeting. When Thursday is a Town recognized holiday, those submitted by 6:00 p.m. Wednesday will be scheduled for the next available Monday meeting. If the schedule is full, the project will

be scheduled for the next available Monday meeting. If Monday is a holiday the preapplication meeting will be held on Tuesday.

- 4. *Staff Review of Submitted Application* Staff conducts an initial review of the proposal. The applicant is notified of meeting time and place for the Pre-Application meeting.
- 5. *Neighborhood Notice* For the Neighborhood Meeting, the applicant must mail the Neighborhood Meeting notice by first class-mail at least ten (10) calendar days prior to the Neighborhood Meeting to the following:

  - d. Any person or group who has requested notice in writing.

The Planning Manager may expand the notification area set forth in this section if it is determined that the potential impact of the project extends beyond the required notification boundary. The applicant must submit a signed affidavit of mailing prior to the Neighborhood Meeting.

- 6. *Property Posting (Sign)* The Notice of Neighborhood Meeting must be posted at least ten (10) calendar days prior to the date of the Neighborhood Meeting. The applicant is responsible for posting the sign on the property, subject to the following specifications and requirements:
  - a. Posting, maintenance, and removal of signs are the responsibility of the applicant. All signs must be removed by the applicant within ten (10) days of the Neighborhood Meeting. If the sign is not removed on time, the Town will remove the sign and charge the applicant a removal fee;

Staff may augment the meeting record as necessary to provide an accurate record of the proceedings.

- 8. *Record of Proceedings* The written meeting summary must be provided to the Planning Technician prior to the scheduled Pre-Application meeting. Please submit electronically.
